REMEMBRANCE DAY

J. M. Barrie once said: "God gave us memory that we might gather roses in December." One of the most precious memories this nation has is that of November 11th and every year at this time we recall those gallant and tragic days when our young men went down to the sea in ships, foot-slogged over the face of the earth and were borne through the vast reaches of the air. Answering the insistent and demanding call of duty and realizing there was "No discharge in the war" they went. And, many did not return. So we remember them in gratitude for their sacrifice, in penitence that we so often forget them, and in humility knowing that they have put us forever in their debt — a debt we cannot repay.

But a memory of them is not enough. Sacrifice does not end with a Last Post but with a Reveille, not with death but with an awakening. So too with remembrance. It is filled with the lessons of the past and the opportunities of the future and until we are able to say to our sons, and our sons' sons: "I saw the powers of darkness take their flight, I saw the morning break", we shall not have completed our remembrance of them.

THE PADRES.

Griesbach Community Library

Two Thousand Books Wanted

A number of PMQ residents have literally stripped their shelves of books for the library. Won't you please review your holdings and donate the books you can spare? Either bring them to the library located between the Post Office and the Bank, or call GR 9-7378, Cpl. Bones; or GR 4-1515, Sgt. Carter, who will arrange pick-up. If each PMQ resident will donate three books, we can have a good selection.

At present the library is loaning about 200 books a week. The most enthusiastic readers are from nine to thirteen years old and more books are particularly wanted for these people. Library hours are Monday and Wednesday evenings 7:00 to 9:00 and Saturday morning from 9:00 to 11:00.

Many donations have already been received for which thanks are hereby tendered.

Open Letter

AND SCOUTS TO THE MOTHERS OF CUBS

The first meeting of the Cub and Scout Mothers' Association was held on Monday, October 17th. Although considerable effort was made to publicize this meeting, perhaps some mothers were not contacted. Every mother of a Cub or Scout is automatically a member of this group. There are five Cub Packs and two Scout Troops in camp, yet only eleven mothers attended this meeting.

The next meeting will be held on Monday, November 14th, in the Ladies' Staff Room of No. 1 School at 8:30 p.m. If you feel this organization is fulfilling a useful purpose, please indicate your support by attending this meeting. Continued lack of support will taken as an indication that a Ladies' Auxiliary is no longer necessary and it will be disbanded.

Shirley Green, President,
Cub and Scout Mothers' Assoc.

COVER STORY

We pay tribute to The Royal Canadian Dental Corps personnel of Griesbach Barracks for Dental Health Week, November 7th to 11th.

Top left: Lt.-Col. O. W. Crummey, officer in charge of No. 25 Dental Clinic, performs a tooth extraction assisted by Corporal H. Drawe.

Top right: Orderly room of 11 Dental Company, left to right, Captain G. R. Woodcock, (administrative officer recently retired); Sgt. E. E. Mazerall and Quarter-Master-Sergeant (WO 2) R. G. Peebles.

Centre from left, administrative officer Capt. Woodcock and Miss Shirley Fogg (Dental Nurse); Colonel I. A. L. Millar, command dental officer and commanding officer of No. 11 Dental Company and QMS (WO 2) Peebles; and Lt.-Col. O. W. Crummey.

Bottom left: Private G. D. Schwarze and Mrs. Ruth Mansfield make a dental appointment for a patient.

Bottom right: In the dental laboratory from left are: Private S. R. Monahan; Sergeant G. F. Keogh, and Sergeant R. L. Thornton.

Dental Health Week

The RCDC is carrying out the annual Dental Health Programme and the week of November 7th to 14th has been designated as Dental Health Week in Griesbach. The following article, an extract from "Preventive Dentistry" has been recommended by the Command Dental Officer as one of particular interest to all our readers:

Dentistry has made one of the most important advances a health profession can make.

It has moved from the age of treatment to the age of control.

It has set up a whole complex of services that are drastically reducing the number of dental cripples.

One of these services employs an amazing epidemiologic device that makes it possible to tell, with exactness, the average number of new decayed teeth that can be expected annually in any population, by each group! This means determining a community's dental caries attack rate (called DMF, a symbol for decayed, missing, and filled teeth). It also means that dentistry can use this health measurement to formulate a pattern of dental programs to meet the specific needs of a community. And dentistry can use the same technique to measure the effectiveness of those dental services, and, where weaknesses are revealed, to shift emphases of the programs to overcome the inadequacies.

Another of these preventive services is, of course, the use of fluorides to stop from 40 to 65 percent of all new dental decay in children.

Then there is the tremendous preventive program of X-ray services. Dentists quickly realized the unlimited possibilities of X-rays to discover hidden decay in teeth and gums. Only 14 days after the discovery of the X-ray was announced, a dentist took the first dental X-ray. It has been used ever since, saving the teeth and restoring the oral health of tens of millions of men, women and children.

One of the greatest patterns of preventive services is found in our dental public health programs. Dentists themselves set up the first community dental health programs 50 years ago, laying the foundation for the present public dental programs. These public services protect the dental health of the entire population through studies, preventive activities, and control measures. Today, just about everywhere in the nation, public health dental experts are administering dental caries-finding programs in the schools, promoting dentistry for children, helping communities to combat oral diseases, and spreading a wider and better understanding of those diseases and what to do about them.

Dental public health is only one of the dental specialties through which dentists are working for better dental health in America. Dentistry for children, called pedodontics, underlines the need for early and continued dental care for children. It emphasizes the importance of retaining healthy primary teeth until they shed naturally.

Orthodontics is the dental specialty concerned with detecting and correcting, as early as possible, irregularities in tooth position and jaw relationship and the deformities of the face produced by these conditions.

Another dental specialty doing an effective preventive job is periodontics. Through early and adequate treatment, diseases of the gums are checked and eradicated, ending the greatest source of tooth loss in adults.

Dentistry is using a thousand-and-one ways and means of telling the story of good dentistry, including the distribution of millions of copies of printed literature, all at its own expense of time, money and effort.

Dentistry teaches us that prevention of dental disease begins with the prospective, and continues with the child and the adult. The fetus must receive the substances needed for development of a normal body — which includes good teeth, of course. The general health of the child is related to the dental health of the child, that is, the health of his oral tissues. For example, abnormal conditions of the thyroid, parathyroid, or pituitary glands adversely affect the development of the teeth and jaws.

Here are some important requirements in a program of preventive dentistry:

1. Good dental care and medical care for the expectant mother.
2. Fluoridation of common water supplies in the community.
3. Topical application of sodium fluoride to the teeth of children in areas where it may be necessary.
4. Brushing the teeth after eating.
5. A well-balanced diet.
6. Limited amounts of sugar and carbohydrates.
7. Early visits to the dentists by children for necessary fillings in the first teeth to preserve them until they are shed naturally.
8. Prompt detection and correction of dental defects in permanent teeth of child and adult.
9. Early recognition and correction of malocclusion — any and all irregularities in the position of the teeth.
10. Restoration of missing teeth.
11. Early diagnosis and treatment of diseases of the gums and other tissues of the mouth.
12. Periodic visits to the dentist for examination and necessary treatment.

In scarcely a half century, dentistry has developed a number of powerful disease-inhibiting weapons that are now being used in effective combination in the most widespread dental health programs in history. Dentistry is on the way to checking, and eventually eliminating dental diseases that account for almost all teeth lost. Control of those diseases will be dentistry's greatest achievement — and it is on the way.

Jumpers Help Too

Parachutist Private Bill Brown of "A" Company, 2nd Battalion Princess Patricia's Canadian Light Infantry, pauses in his pre-jump equipping to receive a United Community Fund contributor's pin from Donna Scurr, a Griesbach Barracks cheer-leader.

The Army community just north of the Edmonton city limits, is aiming at 100% contribution as part of the greater Edmonton drive.

**BANK OF
MONTREAL**
Canada's First Bank

OTTAWA, Oct. 4. — The closing dates for Christmas mail addressed to members of the Canadian Armed Forces serving overseas has been announced by Army Headquarters in Ottawa.

Special airlifts by the Royal Canadian Air Force have been arranged for parcel shipment to Indo-China. Ordinary letters and parcel post dispatched by surface ship must not be posted later than October 15th. Ordinary air mail parcels and letters to the Far East via Box 220, in Saigon, must be posted not later than November 30th.

The special airlift to Indo-China for members of the Canadian Delegation there is available to their next-of-kin only. A separate instruction regarding the use of this airlift will be sent to all those concerned.

Letters by service aircraft to the United Kingdom, Continental Europe, the Middle East and the Congo must be posted in time to reach Montreal by December 12th. Parcel post to these points by sea transport is required to be in Montreal by November 18th.

RECEIVES DECORATION

Sergeant W. H. Turlock of Brooks, Alberta, receives the Canadian Forces Decoration from Major-General G. Walsh, general officer commanding Western Command, at a recent ceremony at Hamilton Gault Barracks, Edmonton.

Sgt Turlock, a member of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, received the award after completing 12 years' service in the Canadian Armed Forces.

13 Works Coy RCE Boosts Griesbach Community

By S/Sgt. Ashmore, RE

A unit training exercise held in early July at Slave Lake, started a project that is now a four sheet curling rink at Griesbach. Under the direction of Major A. J. Callaghan, personnel of 13 Works Coy RCE were tested in their ability to combine all trades as an efficient working unit. The dismantling of a Butler Hut at Slave Lake gave all personnel an opportunity to work together and get experience works, stores handling, accounting and operating mechanical equipment. The works phase was under the direction of Senior MFW WO1 Jarvis; Stores and Supplies were controlled by Mr. E. Collett, Stores Officer; Camp Sergeant Major was S/Sgt. Ashmore; Mechanical Equipment was controlled by Sgt. Edmonds; and the kitchen was in the capable hands of Cpl. Pickeral RCASC.

A one time Dewline Supply Area was used as a camp for the exercise. The advance party left Edmonton on Saturday, July 2nd, at 1000 hrs., arriving at Slave Lake at 1700 hrs. They set up kitchen equipment, provided water, and hooked up the lights from a portable generator. The main party left Edmonton at 1000 hrs. Sunday, July 3rd, arriving at camp in the late afternoon. Monday morning, July 4th, the party was at work by 0700 hrs. and continued until 1900 hrs. This routine con-

tinued until the last load was out Sunday, July 10th.

Ordinary air mail letters with African or European destinations must reach Montreal by December 12th with an advance of two days required on air parcel post deliveries.

The Army points out that particular care should be taken to see that all mail intended for the troops overseas is properly addressed and fully prepaid at the authorized postage rates. A customs declaration must be completed and affixed to all parcel post.

APPOINTED GSO 1

Ottawa, October 13. — Lt.-Col. C. H. E. Askwith, CD, of Montreal, has been appointed General Staff Officer (1st grade) at Headquarters, Western Command, Griesbach Barracks.

An officer of the Black Watch (Royal Highland Regiment) of Canada, Lieut.-Col. Askwith was commanding officer of the 2nd Battalion of the Regiment at Camp Gagetown, N.B.

He replaces Col. P. D. Smith, of Vancouver and Edmonton, who left for the Congo.

The construction of the building in its new location was supervised by personnel of 13 Works Coy RCE with assistance from interested curlers.

This self-help project is an asset to Griesbach and will provide years of good curling to be enjoyed by all members of the community.

WANTED:

Help for housework all day Mondays and afternoon Fridays. PMQ 260, 10108 - 148 Ave. Phone GR 9-1223 after 5:00 p.m.

HOME ACCIDENTS

HQ RCAMC Western Command submit this article in conjunction with the Accident Prevention program now in progress in Western Command.

Accidents are broken down into two main types, Transport and Non-transport. The former are usually given more publicity than the latter probably because they are more dramatic and "newsworthy." Yet more than one-half (55%) of all deaths due to accidents, are of the non-transport type.

These figures are concerned only with deaths. It is estimated that for every death there are at least 200 to 300 accidents that require some form of treatment. In addition about one of every 130 Canadians have a permanent disability of some degree as a result of accidents. And even more important are the great loss of "working years" and the personal, social and economic effects. To bring this even closer to home we can safely assume that every year there will be 107 accidents for every 100 people in Griesbach.

About half of our non-transport accidents take place in the home. These are broken down into:

1. Falls — first among home accidents and mainly among the older persons and the very young.
2. Fire and Explosion — mostly young children injured by tris hazard.
3. Food Suffocation — majority of these cases occur in infants, under one year of age.
4. Poisoning — again the younger children are chiefly affected.

5. Mechanical Suffocation — mostly in infants.

6. Drowning — some few drownings do occur in the home.

7. Firearms — many of these in the home due to carelessness in cleaning weapons, etc.

The whole purpose of the foregoing is to impress the residents, especially the housewives of the importance and frequency of accidents in their homes. They must then do something to prevent them. In most cases it means more supervision and attention to young children.

If we go on further the cause of accidents comes up. It is still true that accidents don't happen, they are caused. No one will honestly state a cause for accidents but we do know that there are one or more of three factors concerned with every accident. These are:

1. Environmental — those things in the home that can cause injury.
2. Physical — deafness, poor vision, partial paralysis — all those physical defects that make the individual more prone to accident.
3. Emotional — anger, anxiety, worry, fear.

In our community the homes are built so that many hazards from faulty wiring, poor lighting, etc., are reduced. No home can be made absolutely safe but if the occupant knows of any faults and does something to remove them, such as removing loose rugs — locking up drugs and so on, some accidents due to environment will not happen.

As for physical, the factors, the provision of glasses, treatment for deafness and extra care for the handicapped will cut down the injuries.

The emotional aspect is more difficult to control. Self-control seems to be the answer.

To sum up — the problem of home accidents has been presented. The factors that are part of the cause have been discussed briefly. The rest is up to you. You must be conscious of the ever present risk of an accident in your home. You must look around and assess those things that are a hazard and then eliminate them as well as you can. You alone can reduce home accidents in Griesbach.

Any PMQ occupant is responsible that persons in the premises or on the lot refrain from undue noise. — CAO 5-1.

Every year it takes less time to fly across the Atlantic and more time to drive across town.

2nd Battalion PPCLI

GENERAL NEWS

The annual GOC's parade and inspection was held on the 28th of September. Sgt. W. H. Turlock was presented with the CD on this occasion. Following the parade an informal luncheon was held in the Officers' Mess with the GOC in attendance.

On the 19th of October, 132 members of the battalion parachuted into an area near Bon Accord. A tactical exercise followed the para drop. One man was slightly injured on landing.

Also on the 19th of October, the battalion provided 100 personnel to act as stretcher-bearers and simulated casualties for a Civil Defence exercise conducted by the local civilian authorities. The simulated injuries of the "casualties" were reported to be horrifyingly realistic.

OFFICERS' MESS NEWS

The GOC Western Command, Major General G. Walsh, CBE, DSO, CD, attended an informal luncheon in the Officers' Mess following the parade and inspection on the 28th of September.

On the 21st of October the foreign students from the Canadian Army Staff College attended an informal function held in their honor at the Officers' Mess. The Mess was arranged in "cabaret" style and an orchestra was in attendance. A buffet dinner was served during the evening.

Word has just been received that Lieut. W. T. Love has been posted to the Airborne School, CJATC, Rivers, Man.

The next function in the Mess will be a Sadie Hawkins Costume Dance sometime in mid-November.

Sergeants' Mess News

Bingo is again under way in the Sergeants' Mess at 2000 hours on Saturday nights. Many excellent prizes are being offered and members are reminded that the bigger the crowds, the better the prizes will be.

Friday nights are very popular in the Mess as this night offers members the opportunity of bringing guests to an excellent dinner of well-prepared dishes. Joe Dunn supervizing.

It is with great sorrow we announce the death of Sgt. Roy Moody, one of our members, who passed away on the 16th of October. Deepest sympathy is extended to his family by all members of the Sergeants' Mess.

Corporals' Mess News

On October 5th, a General Mess Meeting was held with the following elected to the Executive Committee:

President — Cpl. B. H. Johnston
Vice-President — Cpl. J. C. Irvine
Secretary — Cpl. G. McCord
Treasurer — Cpl. T. R. Hardwick

A Cash Bingo was held in the Mess on the 4th of October. Prizes for the first ten games varied between \$4.00 and \$8.00 with the eleventh game going to Mrs. A. J. Sutton for \$20.00. This was the first of a series of Bingos which will be held at least once a month commencing the 15th of November.

A "Hard Times" Dance will be held on the 28th of October. Prizes will be awarded October 28th. Prizes will be awarded for the best-dressed man and the best-dressed

woman as well as novelty prizes for various dances. Cpl. J. E. James has consented to act as Master of Ceremonies, which should guarantee the success of the evening.

A combination PA system, radio and record player have been installed in the Mess with speakers leading to all rooms. A fireplace will be installed in the Ladies' Lounge with the next two months.

The Mess has entered a team in the Northern Alberta Dart Association to defend the Oxford Trophy which was won in 1959. A number of teams have also been entered in the Griesbach Curling League.

The members welcome back Cpl. S. H. Sayers after his tour in Indo-China. Welcome is also extended to Cpl. C. F. Avery who has recently promoted.

fers of the Association for the benefit of
all residents.

Edmonton Provost Detachment News

Since the last news from this Unit, there
have been several new faces posted here
to Edmonton. It could be some of you
readers know them from your own previous
postings, so here they are: Capt. J. W.
Johnson "T" Staff, Halifax; Sgt. J. D. An-
derson, CJATC, Rivers, Man.; Sgt. L. M.
Espenhain "T" Staff, Vancouver; L/Cpl. N.
Harris, QOR's, Calgary; L/Cpl. R. D. Reid,
Germany; and L/Cpl. D. A. Kendall, Fort
Churchill.

In addition L/Cpl. and Mrs. Green have
a new daughter, Teresa Lynn as of Sept-
ember 4th, and Sgt. and Mrs. Anderson
have another son, Kelly John, as of Sept-
ember 15th.

We also have some news in the mar-
riage department in that L/Cpl. R. Mudie
and Miss Patricia Stasuk of Edmonton, took
the big step on September 17th. We would
like to take this opportunity to wish them
both all the best.

May we remind you that the Griesbach
Area is patrolled 24 hours a day every
day and our job is to help you, the resi-
dents of the PMQ's. At the present time
it may seem that every time you get into
your car the Patrol is in the area but be-
lieve us, the reason is sound, as we are
trying to make every one safety conscious
when driving. Now that the schools are
back in business, we have children of all
ages and sizes everywhere, and at all
hours, and by watching and warning as
many drivers as we can, we hope that
SAFE DRIVING will become a habit. Please
remember that where there are no side-
walks the pedestrian must walk on the
road and although he has no License Plate,

LEAVES WORKSHOP

Craftsman Philippe Morin of Montreal,
will be posted to No. 4 Field Workshop,

AGENT
FOR

Our Lady of Fatima Chapel

Well Catholic families, I am back again with the news from your Church. Another month has rolled around and I must report a very successful one has just passed.

Our regular meeting of the C.W.A. met at the Padre's quarters of Our Lady of Fatima Church with the president, Mrs. Lee Taylor, presiding.

New members were welcomed by the president, Mrs. Taylor.

A vote of thanks was given to the outgoing executive for the excellent work done in the past year.

It is requested that any members of the C.W.A. who know that some other member is sick or in hospital, please notify the Sick Committee, Mrs. R. I. Luker, at GR 9-6423.

A farewell party was held in the Padre's quarters on September 28th, to bid adieu to one of our members, Mrs. Laura Woodcock, and we believe, one of the founders of the C.W.A.. The evening was spent in playing games. Before the end of the evening Mrs. Woodcock was presented with a gift and a delicious lunch was served by the committee. We are very sorry to see Mrs. Woodcock leave, but best of friends must part some time, and we know that our loss is some other community's gain; so best of luck, Laura.

Our Padre, Father St. Arnaud, has been very busy the last two weeks due to our Command Chaplain Father Ritza being absent from the parish on a duty trip to Ottawa.

All Catholic families will be receiving a visit from the Visiting Committee of the C.W.A. This assistance is being given by the C.W.A. to the Padres, to help them in their work.

The next meeting of the C.W.A. will be held in the Padre's quarters of Our Lady of Fatima Chapel at 8:00 p.m. on Thursday, November 1st.

All Catholic ladies welcome.

CHURCH NEWS

Schedule of Services:

October 30th — 0900 hours, Holy Communion ACC.

1100 hrs., Morning Worship.

November 6th — 1100 hours, Morning Worship.

1200 hrs., Holy Communion ACC.

November 11th, 0800 hours, Holy Communion ACC.

0930 hrs., Remembrance Day Service.

November 13th — 0900 hours, Holy Communion.

1100 hrs., Morning Worship.

November 20th — 0900 hours, Holy Communion ACC.

1100 hrs., Morning Worship.

November 27th — 0900 hrs., Holy Communion ACC.

1100 hrs., Morning Worship.

1200 hrs., Holy Communion UCC.

Every Sunday

1000 hrs., Bible Class (Chapel Conference Room).

1000 hrs., Sunday School (School No. 1). Ages 8 to 12.

1100 hrs., Sunday School (School No. 1). Ages 3 to 7.

1100 hrs., Creche and Kindergarten (in Chapel Conference Room).

The Sunday School is increasing its numbers every Sunday and there continues a pressing need for teachers. Please contact the Chapel Office, Local 533, or WO 2 Rutherford, the Superintendent, if you will help.

The Sunday School Bible Class meets every Sunday at 10:00 a.m. in the Chapel Conference Room. The class is taught by Capt. Ken Parton, OC 224 Wksp RCME. Sometimes there is a bit of a misunderstanding as to who can or should attend a Bible Class. It is not a pre-confirmation class. It is purely a Bible Study group for all denominations age 13 and up. We never reach the time when we know as much as we should about the Bible and teenagers (and even adults!) are encouraged to attend this class.

At a recent meeting of the Church Council, it was decided that, since the women do most of the work in the Chapel, it was time for the men to have a project and so a Men's Missionary Project has been adopted. Look for more about this in your Church newspaper.

Anglican and United Church Confirmation Classes are being held by the Padres. If anyone desires membership in any other denomination, he or she should contact the Chapel office and arrangements will be made for instruction. THE PADRE

Women's Auxiliary

ST. JOHN'S CHAPEL

With Thanksgiving behind us and Halloween goblins settled down for another year, we can almost hear the faint music of Jingle Bells in the air. For the Women's Auxiliary that means "Christmas Bazaar" time and last minute preparations are going forward to make the afternoon of Saturday, November 5th, a pleasant and exciting time for everyone.

During the past two months we have welcomed many new members and we know they will enjoy their evenings out with the W.A. this winter. For those of you who find it impossible to attend our gathering every 2nd and 4th Tuesday of the month for one reason or another, we are grateful for your "silent service" and it is gratifying to know you are solidly behind our every effort.

The W.A. annual Bazaar is the only means of raising funds needed if we are to carry out successfully our duties for another year.

If you will help by contributing something for our home-baking table or some candy, etc., we will be most grateful. Primarily, however, we would like to see you at the Bazaar. We know if you could have a preview of the beautiful gift items and the unique novelties we have to offer, you would not miss it.

We have also made an effort to see that the kiddies enjoy themselves this year. With hot-dogs and soft drinks available, plus a fish pond and children's shopping table, the youngsters should be able to find many a bargain for their collection of hard-earned pennies.

The W.A. will miss several of our hard-working members who have been posted to various places across Canada. Gloria Honey to Calgary; Bea Becker to Ottawa; Audrey Sebastian to Kingston; Elsie Barker to Halifax; Nell Brumitt to Vancouver, and Doris Christie to Montreal. As our Secretary and Treasurer were both posted, officers elected to fill the vacancies are Barbara Hutcheson, Secretary, and Ruth Moody, Treasurer.

We would also like to welcome at this time our new padres — Lt.-Col. Duncan and Captain Nickerson. We hope you and your families will be happy here.

Once again, don't forget the Christmas Bazaar on Saturday, November 5th, from 2:00 p.m. to 4:30 p.m. at School No. 1.

GOLF NEWS

And so our most successful season has reluctantly dragged to a close. Our membership went over two hundred this year, and we are closing the season in a healthy financial position. No further functions are planned before early spring.

Indoor Driving Range

To enable golfers to keep their swing going through the winter, an indoor driving net is available in the PPCLI Drill Hall. The net is located at the back of the drill hall on the left of the vehicle door. The net may be used when the Drill Hall is NOT in use for military or other authorized purposes, and must be clamped back to the wall after use. Rubber mats are available in one of the two wooden boxes in the left corner of the drill hall, and these mats must be returned to the box after use. Unless time is a big demand, users will be required to provide their own clubs and balls.

Ladies' Curling League

After a meeting held Monday, October 17th, in the new Curling Rink, we are happy to announce we are away to a good curling season with an eight team league. Looks like we have some enthusiastic curlers just waiting to get one foot in the "hack", hand on broom and one on a rock and away we go.

There will be a get-together at the rink Tuesday, October 25th, at 1:30 p.m. with the league getting under way the following Tuesday, November 1st. Any interested curlers who have as yet not registered, can do so by contacting Mrs. R. Meisner at 15016 - 101st Street or by telephoning GR 9-7768. Fees have been reduced to \$10.00 for the season.

A hearty thank you is extended to all the adults and children who were so much help delivering notices.

BOXING

The first meeting of the Griesbach Boxing Club took place at the PT Building on Monday, October 17th, at 7:15 p.m. To date 31 boys have joined the club and we are still looking for more.

The club is well on its way for 1960 under the capable hands of Sgt. Thibodeau and Cpl. Sullivan. Additional instructors will be available to assist in teaching the boys.

Teen-agers would be most welcome. We know how rugged they are in football, now we would like to see some of that power applied to boxing.

This year everyone joining the club will be requested to obtain an Alberta Amateur Card. The card costs 25 cents and application forms can be obtained from Capt. Bateman on Monday nights at the gymnasium.

Boxing is good, clean fun — no one gets hurt and you do learn something — so why not try it?

DON'T FORGET — EVERY MONDAY NIGHT — 7:15 P.M. — PT BUILDING.

The following boys now belong to the club:

Barry Thibodeau; Dennis Laboucaine; Gary Provencher; Douglas Harding; Robert Kittle; Roger Durand; Bobby McNab; Bill Suais; Tom Cormack; Jim Oaks; Frank McNab; John Woodcock; John Cormack; Jacques Provencher; Douglas Kittle; Don Hawn; Michael Irvine; Rickey Robertson; Dorwin Hawn; Tony MacAlpine; Jerry Vermette; Tim Bateman; Ken Robertson; Roy Delaney; Jeffery Ceasar; Jim Covey; Richard Ceasar; Frank McNab; Dale Issac; Keith Brown; Jim McGuire.

2 PPCLI SOCCER

We went; we played; but we did not conquer. Our soccer team invaded the Nation's capital towards the end of September when they hoped to capture the magnificent bronze and mahogany, George Pearkes Trophy. Combat took place on the "soccer" fields of the RCAF Stations Uplands and Rockcliffe. The latter is aptly named; Sir Edmund Hillary would be at home on its rocky, sloping surface.

When the sound of the last whistle had died away and the last particle of dust had settled, the combined Rockcliffe - Uplands team emerged victorious. We appreciated the welcome we received in Winnipeg from Lt.-Col. and Mrs. Schjelderup and it was good to see our old team mate Sgt. Denis "the menace" Bradley in Ottawa. Since arriving back in Edmonton our injury-riddled team has won one and lost one to the Calgary champions, Juventus. We have also lost one and tied one with Edmonton Scottish of the inter-city league.

The team wishes the very best to Pte. Roger Kenny. Roger has switched uniforms to the Edmonton City Police. As this will probably be the last soccer report, the team would like to express its appreciation to all those great and small, who made this season, for the third year running, a very successful and enjoyable one.

CONSIDER ARCHERY CLUB

In the past a number of local residents and Civil Servants have expressed an interest in the formation of Mixed Archery Club in the Griesbach area. Before any firm action can be taken, it is intended to determine through a survey the number of adults that would be interested in the formation of such an organization. To this end an information blank has been provided below.

Subject to receipt of sufficient numbers of these information forms, an organizational meeting will be announced. Experienced assistance in the formation of this project has already been pledged.

TO: Sgt. R. KOWCUN
A Branch, Room 153
HQ Western Command

I AM INTERESTED IN FURTHER INFORMATION ON THE FORMATION
OF AN ARCHERY CLUB IN GRIESBACH.

NAME..... AGE..... (Over 18)

ADDRESS

PMQ No..... PHONE No.....

DO YOU POSSESS ANY ARCHERY EQUIPMENT?.....

HAVE YOU HAD ANY ARCHERY EXPERIENCE?.....

PLACE OF EMPLOYMENT.....

Horseback Riding

We have had a wonderful response to our poll on riding. Due to this, Mr. Brewer has decided to get horses this fall and riding will commence by November 5th.

We need the co-operation of everyone interested in this sport to make it a paying proposition and so that the fees can be reasonable for all concerned.

We will form a club to be known as "The Griesbach Riding Club" and the horses will be used exclusively for the residents of Griesbach as long as we can get enough members to join the club. If this is not possible, we will have to get a limited number of people from outside the area.

Sleigh rides for groups during the winter months may be arranged at \$1.00 per head or \$20.00 per group.

Fees Annually — January 1st to December 31st, 1961 per members in family:

One \$36.00 or \$3.00 per month in advance.

Two \$60.00 or \$5.00 per month in advance.

Three or over — \$72.00 or \$6.00 per month in advance.

Fees Biannually — January 1st to May 31st, 1961:

One \$18.00 or \$3.00 per month in advance.

Two \$30.00 or \$5.00 per month in advance.

Three or more — \$36.00 or \$6.00 per month in advance.

Fees Biannually — June 1st to December 31st, 1961:

One \$18.00 in advance.

Two \$30.00 in advance.

Three or more — \$36.00 in advance.

Persons not wishing to join the club, may ride at the rate of 75c per hour. Persons wishing to buy and stable their horses at the rate of \$30.00 per month and a \$5.00 yearly fee to the club, may do so. Persons behind in their fees will be excluded from riding as a club member.

Those wishing to ride from now until the end of the year, may do so at the same rates per month or 75c per hour.

Mr. Brewer intends to have horses kept for adults and special ones for children as well as a pony or two for tiny tots.

Instruction — starting November 5th, weather permitting.

Saturdays — 2:00 p.m. to 3:00 p.m.; 3:00 p.m. to 4:00 p.m.

Sundays — 2:00 p.m. to 3:00 p.m.; 3:00 p.m. to 4:00 p.m.

This will be at the same rates and all volunteers to help, instruct and get our club on the road, will be appreciated. If we work hard we can have a fine club and Mr. Brewer intends to put a lot of work into building it up.

The farm is situated one mile north of Turnip Lake School and a half mile west. Turnip Lake School is at the north-west corner of Griesbach.

Teen Sports

FOOTBALL

As of October 20th, the Rams have won 4 and lost 2 games this season. The results were as follows:

September 18th — Namao 20; Rams 12.

September 25th — St. Albert 0; Rams 6.

October 2nd — Namao 37; Rams 0.

October 9th — Camrose 14; Rams 34.

October 16th — St. Albert 13; Rams 15.

Oct. 18th — Jasper Place 13; Rams 31.

Summary of scoring for last 5 games:

September 25th — St. Albert 0; Rams 6.

Dan Wragg TD. This incidentally was St. Albert's first loss in 2 years.

October 2nd — Namao 37; Rams 0.

Rams wish to forget this one.

October 9th — Camrose 14; Rams 34.

Run Luxton 2 TDs, 4 converts; Wayne Armstrong TD; Buddy McLellan TD; Rickie Lewis TD.

After this game the Camrose team was entertained at a light buffet supper in No. 1 School gymnasium.

October 16th — St. Albert 13; Rams 15.

Jim Salmond rouge; Ron Luxton TD; Buddy McLellan TD.

October 18th — Jasper Place 13; Rams 31.

Dan Wragg 2TDs; Jim Salmond TD; Bill Lucas TD; Buddy McLellan TD; Ron Luxton 1 convert.

This game was the Rams' first at 8-man football and they adapted themselves very quickly as can be seen by the results. Basically it is the same game, except for the dropping of two linemen and two backfielders from the lineup. It is a faster and more wide-open game with more emphasis on speed and condition.

With the exception of the game on October 16th against St. Albert, all the games have been played on the PPCLI rugby field. This is without a doubt one of the best fields in Canada as far as playing surface is concerned. Because of its evenness and good turf the number of injuries have been confined to bruises suffered through contact between players and not between players and the field.

On September 30th the Ramettes and the Rams were guests of the Edmonton Eskimos in their game against Regina. This game was enjoyed by all and besides seeing good football quite a few, we hope, have learnt that warm clothes are a must at night games.

The support given the team by the Ramettes and the residents of Griesbach is greatly appreciated. The team has played much better because of this support.

To mention all the people who give up their leisure time to help the team would fill more space than we have available, but we must mention two of them. Their views may differ as far as religion, but they have one common goal as far as football goes, that is to see that our teenagers learn to play the game of football under the best circumstances available. We are of course speaking of Padre St. Arnaud and Youmatoff. Padre St. Arnaud has his quarters invaded every day by the players, who use them as a combined rest and dressing room. Padre Youmatoff every week, treads the path that only the strong and resolute dare tread — he referees our games, on occasions by himself.

Though it is a team sport, the players who score are usually the only ones whose names become known, so in a future issue of this paper the complete roster of the team will be given.

Officers' Mixed Curling League

Organization of the league is now complete and all indications point to a successful season. Sixteen teams have been formed with eight spares available to fill in for absentees. However, any additional names for spare list will be welcomed.

The draw has been made and will be published in the curling book soon to be issued to all curlers. The first league play is scheduled for November 6th, but activities will kick off with a President vs Vice-President competition on October 30th.

GYMNASTIC CLUB

It is proposed to start a Gymnastic Club in early January for boys and girls from 8 to 14 years.

Classes will be conducted at the PPCLI Depot Gymnasium twice weekly from 4:30 p.m. to 5:30 p.m. by members of the Physical Training Cadre.

A notice will be published in the near future outlining registration dates.

The formation of this club should create a lot of interest amongst the youth of Griesbach. Someday we hope to save the best gymnastic club in the province.

TENNIS CLUB

The junior tennis club is in full swing, literally. Any youngsters or teenagers wishing to play this game should come out on Thursday night at 6:30 p.m. or on Saturdays at 1:30 p.m. The club fee is fifty cents which pays for the cost of nets and tennis balls. There are a few tennis rackets also available for those members not possessing their own.

PATRICIA'S ON EXERCISES

Airborne troops of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, stationed at Hamilton Gault Barracks, have started their fall and winter airborne training exercises: Lance Corporal Martin Clovett, left, of Edmundston, N.B., adjusts the gear of Private Jack Lindemann of Maynooth, Ont., before boarding the aircraft at Namao airport for a "drop." Right, Pte. Lindemann makes his "jump" from the C-119 flying boxcar over the drop-zone. (National Defence Photo)

Decay Now — Pay Later

Each year at this time an attempt is made by the RCDC to stress the importance of dental health during Dental Health Week in the Armed Forces. There are still far too many people who treat dental health like the weather, talk about it but do nothing about it. We hope that the annual Dental Health Week reduces this number of people and is effective in improving the dental health of all.

Your children, attending a DND School, are examined by a Dental Officer of the RCDC once a year. This is not a detailed charted examination, but a general one in which it is possible to classify the child into one of three groups:

1. No apparent treatment required.
2. Treatment required at the earliest opportunity.
3. Treatment urgently required.

These are self explanatory; however, further explanation of No. 3 may help eliminate some possible confusion, particularly to parents of two or more children.

The deciduous or "baby-teeth" commence eruption and settling into place at approximately six months of age and continue in a constant pattern until all are in place and functioning at approximately 2 years of age. These "baby-teeth" now must carry the load until ten to twelve years of age. These early years are the ones when good digestive, good hygienic habits, and development of the facial features are all in a formative stage. These first teeth have an important function at an important time. In addition, the early loss of any of these teeth adversely affects the eruption of the permanent teeth which later will detract from appearance and function as well as contributing to increased susceptibility to dental disease. The first permanent tooth to appear is the so-called "six-year" molar. This tooth shows up, as the name suggests, at ap-

proximately six years of age. It appears through the gum on both sides of the upper and lower jaws, directly behind and adjacent to the last "baby tooth" in line. The tragedy of this is that it is often mistaken for another deciduous tooth. The six-year molar is one of the strongest and most important tooth in the human mouth, and is considered to be a keystone in the general formation of the whole dental arch of permanent teeth. The remaining permanent teeth erupt in a constant and predictable pattern, pushing the baby teeth above them out and moving into the vacant spaces. The final permanent tooth to appear is the third molar or "Wisdom" tooth at the very back of the jaw at approximately eighteen years of age, and in many cases, much later.

What has all this to do with the No. 3 group on the card? Let us suppose you have two children in school, ages seven years and eleven years. Your seven-year-old is marked "Treatment urgently required", but your eleven-year-old is marked "No apparent requirements." You look in their mouths and the younger has pretty good looking teeth — very good, in fact, while the older has some bad looking teeth, terrible really. What is wrong? The dentist must be mistaken, or else he got the cards mixed. This is the explanation — the seven-year-old has good baby teeth but his "six-year" molars (permanent teeth, remember) have small pits in them. This is "urgent", he will need these teeth for a long time. Your eleven-year-old has some bad cavities in some "baby teeth" that are about to be shed naturally in the next four to five months, having done their period of service and held the space for the permanent successor. The permanent teeth already erupted are sound — hence, "No apparent treatment required." The same baby teeth decayed in a nine-year-old would be marked for treatment, be-

cause it is too early to lose them and retain proper function and influence on the permanent successors.

All the teeth are important. The deciduous teeth must be maintained if possible up to within four or five months of their natural shedding time, and the permanent teeth of course, all the way.

Decay now — pay later. Pay in loss of proper speech and proper eating, pay with an unattractive appearance, pay with pain and discomfort, and pay with, last but not least, money. Proper dental hygiene habits at any age vastly reduce, or in fact can eliminate altogether, most or all of the penalties of gross neglect. Also, the fluoride program provides protection against dental decay, and you should ask your dentist for information as it applies to your child. It is worthwhile to send your children into adulthood in the best possible dental health.

In addition to an examination your child will be given instructions and demonstrations on proper dental care. He will also bring home a pamphlet of information and instructions on dental care in the home. Please read it and keep it for reference. Above all, do observe and make a habit of good dental hygiene and care.

DON'T DECAY — DON'T PAY.

2nd Griesbach Brownie Pack

Brown Owl — Mrs. M. R. Church

Tawny Owl — Mrs. H. A. Reid

Snowy Owl — Mrs. A. G. Macdonald

We have had many changes in the Pack since our last report in June. Due to us having to change our meeting time, place and day, we lost a number of Brownies to other Packs. We now have a full Pack and two new Owls and a new Packie to help us.

Congratulations go to the following girls this month:

Shirley Crerar and Beverly Hogg on going up to Guides.

Patricia Dales — Packie on receiving her Brown tie and Lanyard.

Tixer stripes — Diane Ahearn, Betty Jeffrey and Patricia Parker.

Seconder stripes — Dianne Jourdain, Janice Commance and Sharon Nash.

Golden Bar — Bonnie Wenker.

1st Year Star — Wendy Daignault.

We have five little Tweenies: Heather Macdonald, Maureen Parker, Betty Cotter, Christine Greenly and Doreen Dupe.

Our first social of the season was a Hallowe'en Costume Party which was enjoyed by all.

We are now working on our Christmas projects.

3rd Griesbach Guide Company

Captain — Mrs. Joan Grant

Lieutenant — Miss Pat Holland

Our company began meeting in September with new Guider's The Captain not only new to Griesbach but new to Guiding.

Beverly MacLean, Linda Hansen, Twila Smith and Ruby Covey joined as recruits and with the help of the more experienced Guides are now well on their way to becoming enrolled "Tenderfeet."

The 3rd Company met with Company 1 and 2 in October for the purpose of enrolling three new Guiders of the Companies.

We have also had Brownies fly up and walk up to our Company. Welcome to Shirley Crerar, Beverly Hogg, Cheryl McNeil and Carolyn Webb.

A Hallowe'en Costume Party is planned for our first November meeting.

Special thanks to Mrs. Bea Small who was our Lieutenant for the first month and who is now working with the 2nd Company.

4th Griesbach Brownie Pack

Brown Owl — Audrey Mcseley

Many changes have taken place in the Pack since our last report. Three Brownies have flown up to Guides recently. Janice Cunningham and Mary Lawlor to No. 2 Company, and Cheryl McNeil to No. 3 Company, while Sandy Sim transferred out to Camp Borden.

We welcome the following newcomers to the Pack: Mrs. Freed is now Tawny Owl. Patsy Harper and Helana Brown transferred in from Whitehorse. Several new Brownies who are working very hard to be enrolled are Janice Copp, Lynne Dales, Margaret Green, Christine Hassen, Elaine Hood, Debby Jowett, Jean Murphy, Angela Ward and Susan White.

These Brownies have been busy and have gained their Golden Bars: Sharon Carpenter, Brenda Cunningham, Mary Lou Harding, Francis Gillingham, Judith Grant, Sharon Hummell, Nicki Lou King, Theresa Paquette and Linda Mayan.

The same Brownies, with the addition of Helana Brown, have also earned their First Fear Service Stars. While Charlotte Mayan and Carol Hassen have their Second Year Service Stars. Service Stars are presented to girls who have attended at least 75% of the year's meetings. Congratulations, Brownies. Your attendance has been 100%.

New Sixers and Seconds are as follows: Patsy Harper, Sixer and Helana Brown, Second of the Elves Six, Janet's Stewart, Sixer and Judy Ward, Second of the Fairies Six, Second of the Gnomes Six, Carol Hassen, Sharon Hummell, Sixer and Joanne Stewart, Second of the Pixies Six. While Joanne Plumley continues as Sixer of the Gnomes Six.

Brownie and Guide Mothers

Due to the small turnout at the last two meetings, it has become apparent mothers are not being informed as to the time of our meetings. They are held in the Ladies' Staff Room at No. 1 School on the third Tuesday of each month at 8:30 p.m. Next

meeting being November 15th.

As yet a Ways and Means Committee has not been formed. You may realize that organizations cannot function without funds and certainly we mothers are as capable as the fathers when it comes to thinking up fund raising ideas. Whether you intend to work for the committee or simply volunteer suggestions, please come out to our next meeting so we may arrive at some worthy conclusion.

A suggestion was made that mothers volunteered some time with their child's pack to relieve our overburdened Guides and Brown Owls. No one could be better qualified to teach than a mother. Send a note along with your daughter offering your assistance. I assure you it will be appreciated.

We'll be looking for you at the next meeting.

Mrs. Doris Greenley.

YOUNG PEOPLE'S ASSOCIATION NEWS

As the first month of this year's club draws to a close, we see a good future in store for us. As of the 20th of October, the club has 96 paid members and a bank balance of some \$185.00.

Since this year's activities have just started and things are settling down, the program for the month of October has not been too strenuous. They include several football games by Griesbach's "Rams", the doings of the "Ramettes", and three record hops held, with one planned for the 21st. The first big dance of the year will be a Hallowe'en Costume Dance with Hank Smith and the "Madissons" providing music. More on this next month.

It is the policy of the club to hold only closed dances unless as otherwise advertised. Members are admitted to all functions at special rates and sometimes free. Each member is entitled to sponsor and sign for one person or one couple. He is then responsible for his guests.

A general meeting is held on the last Friday or Saturday of the month as posted. At these meetings the complete agenda for the coming month is presented and requests for money to meet expenses for the month, if over \$10.00, is voted on. Suggestions from the floor are taken up and often pertinent matters are discussed. It is therefore important that all members attend these meetings.

The Griesbach Association keeps the Teen Club funds in a special account. Requests for money are submitted to the Senior Council who in turn apply to the Griesbach Association. The Senior Executive also must approve the monthly reports on coming events. Meetings of the Teen Council are held as called by the President, usually once a week.

October Meeting

A general meeting was held on Saturday, October 1st. The agenda for the month of October was presented and passed as was the request for funds for the month which was \$90.00. Most of the money allotted will go toward the Hallowe'en dance and for buying records for record hops.

Ron Luxton resigned as vice-president and Bob Middlemiss was elected to replace him.

The question of Teen Curling was discussed. The application fee is \$5.00 and must be paid by the end of October so that a schedule may be drawn up. As of the 17th of October 30 applications have been received.

The meeting was adjourned and a short record hop followed.

Social Bits

October 8th was a record hop. On Sunday, October 9th, a Buffet Supper was held after the Rams vs Camrose football game. Both Captains were called upon to speak at the occasion and we are sure everyone had a fine time. It would be impossible to list all those who helped, so we must say one big thanks to all.

Another record hop was held on Friday, October 14th. Chaperones were Mr. and Mrs. Budd. Dress for the dance was supposed to be baggy sweaters and clashing socks. Most of the girls wore leotards and where some of the people got those sweaters, we'll never know. The result was something a little bit different. Gerry Dan-chuk acted as D.J.

Congratulations

"Congratulations" to Griesbach's 'rarin' Rams. They have now won 4 out of 6 games and don't intend to stop there. In fact every time they play, they look better.

The Ramettes have gotten themselves a name too. This group, which has swelled to 12 girls was invited to perform at Clarke Stadium at the half time in remission on Monday, October 17th. They were on for five solid minutes and got a big hand from the crowd. Congratulations, girls.

Wind-Up

Well, as things get into full swing, and curling starts, we hope to have a more varied program than just dancing every week. Suggestions include a sports night, hay ride, wiener roast, skating party, talent night or putting on a play. There is talk of starting up a band in camp. You know, we think everything could work out very well if everyone gets out and gives it a little push.

If anyone has an article to submit either on Teen Sports or for Young People's Association news, see me, your Publicity Manager, Jim Salmond.

If you want a Teen Membership Card, see Dave Lewis and if you wish to enroll in study classes, see Father St. Arnaud at the R.C. Chapel.

Located in Major Centres Across Canada

TOP MILITARY DRIVER

Corporal W. T. Foley of Edmonton, receives the Alberta Area Truck Rodeo championship trophy from Colonel E. T. Munro, commander of Calgary Garrison.

Cpl. Foley, a member of No. 14 Company, Royal Canadian Army Service Corps at Griesbach Barracks, Edmonton, placed first in a field of 19 entries driving a three-ton stake-body truck. He will now go on to Winnipeg to compete in the Western Command finals October 12th and 13th. (National Defence Photo)

10 Service Detention Barracks

The month of October has been a busy one for the staff of 10 SDB. They received a visit from the Deputy Provost Marshal, Lt.-Col. Ritchie, who inspected the staff and barracks. In the evening Lt.-Col. Ritchie was entertained at the Garrison Sergeants' Mess by the staff of 10 SDB and Sr. NCO of Edmonton Provost Detachment and HQ Western Command Provost Company.

Once again we must say good-bye to old friends, Lt. (Slim) Harrison who is returning to civvy street. Mr. Harrison and family are taking up residence in California, U.S.A. Sgt. (Buzz) Pyett who is taking his release. Buzz is headed for the west coast where he will embark on the high seas for places unknown.

Sgt (Paul) Maillard who is also taking his leave of the Service. Paul and his family are taking up residence in Ottawa, Ontario.

Best of luck to Lt. Harrison, Buzz Pyett and Paul Maillard from the staff of 10 SDB.

This month has also seen two of our members posted. CSM (WO 2) (Bob) Whitworth to Quebec Command Provost Company. Good luck on your posting, Bob. Also Sgt. (Jerry) Ritza who is posted to NDHQ Security Guard, Ottawa. Congratulations on your posting, Jerry, also your forthcoming marriage to Miss Janette Callaghan of Calgary.

Things should get back to normal now, seeing the members of 10 SDB have finished their refresher course at Camp Wainwright and all the good-byes have been taken care of.

GS BRANCH NOTES

Lt.-Col. P. D. Smith, GSO 1, was promoted to the rank of Colonel and posted to the Congo, departing from Edmonton on October 10th.

Lt.-Col. C. H. T. Askwith, the new GSO 1, arrived at the Headquarters on October 18. Welcome to the GS Branch, sir.

Mrs. McNeil, who has been away from the Branch for over three months, returned on October 17th. Good to see her back and we all hope she feels better.

Corporal St. Pierre, recently posted from London, England, is NCO in-charge of courses, replacing L/Sgt. Dunkley, who has been posted to Whitehorse.

Many of the personnel are taking advantage of the nice fall weather and are attempting to obtain their share of ducks and larger game. Good luck, gentlemen!

Xmas Greetings to Congo, Egypt

The Public Relations Officer will soon be recording Christmas Greetings from dependents in Griesbach Barracks to fathers and husbands in Egypt and the Congo.

Details will be notified.

PROMOTED

Edmonton, Alta. — 2nd Lieutenant Kenneth D. Lindgren of Lethbridge, has been promoted to the rank of Lieutenant, it was announced recently by Army Headquarters in Ottawa.

A member of the 2nd Battalion, Princess Patricia's Canadian Light Infantry, Lieut. Lindgren enlisted in that regiment as a private in 1956. He attended the Officer Candidate Program in 1957 and was commissioned in 1958.

He is the son of Mr. and Mrs. Harold Lindgrtn of 1020 - 17 Street, South, Lethbridge, Alberta.

LADIES' BINGO
Griesbach Association

The regular monthly Ladies' Bingo was held in the Auditorium of School No. 1 on Wednesday, October 5th. Although the attendance was small, we were able to keep the books from the red side of the ledger.

The lucky prize winners were as follows:

Miss Fraser — Glass set.
Mrs. Makerenko — Alaskan diamond set.
Mrs. Paul — Sewing basket.
Mrs. Query — Ronson hair dryer.
Mrs. Vereschagin — Hassock.
Mrs. Coombe — Camera set.
Mrs. Royce — Travel bar.
Miss Devlin — Thermos jug.
Mrs. Linstrom — Table lamp.
Mrs. Quelette — Bathroom scales.
Mrs. Burrows — Transistor radio.
Mrs. Pinzell — Door Prize — Tea set.

Numerous items were given out during the evening as consolations on tie-breaking games. So, congratulations to the winners and better luck next time to the losers. Don't give up hope. You can't win if you don't attend the Bingos.

The chairman of the Ladies' Bingo Committee, Capt. H. E. Huges, wishes to take this opportunity to thank those that have assisted him in the operation of these bingos, and the ladies that have attended them for the past year. He requests that the same support be given his successor who is unnamed at the present date.

The next bingo will be held in School No. 1 at 8:00 p.m. on Wednesday, November 2nd. Tables will be provided to assist you in winning valuable prizes.

Ladies, leave your husbands home to look after the children and come out to play BINGO. You can help to make it a success.

"I" Staff Introduction

Now that the Militia and Cadet summer training has been completed and most of the Instructional Staff members of this Detachment have completed their annual leave, it is time to get back into harness again.

Most of the Militia Units have submitted their training programs requesting "I" Staff assistance, in fact some of the instructors have already started running courses while the others will be hard at it by the end of the month.

The instructors have a twofold job to do:

- (a) Instruct on unit corps training.
- (b) Instruct on Garrison courses.

The former consists of helping the units out with their administration and stores problems, assist with GMT subjects and run Trade Courses. In the event the unit wishes to conduct an exercise, he must be ready to assist them on the planning as well as be present on the exercise assisting in all phases.

The latter consists of running or assisting in Junior and Senior NCO courses, Officer training for Senior, Junior and Lieutenant Qualifying as well as Wireless users and Radiation Monitoring courses, Recruit Training Male and Female, Driving courses, Wireless courses, First Aid courses, Trained Militiaman courses, Storeman Clerk courses and assist in Clerk Administration courses. As well, he must assist the Militia Officers in their promotion exams.

Some members of the Regular Army are of the opinion that the life of a member of the "I" Staff is a very easy one and that all he does is drive his car around and live an easy life. This is quite erroneous. During the months October to May he works a minimum of three nights a week as well as Saturdays. During the daytime he is in the "I" Staff buildings preparing, precis, Block Syllabus and time tables for his courses. During the months of June, July and August he must prepare to attend training at Militia and Cadet and Regular Force Camps.

The last two weeks in August and the month of September are used as leave periods. The month of September is also used for the Instructors to report to their individual Militia (Corps Units) and assist the training officer preparing his training program for the fall, winter and spring months.

NEWS BRIEFS

Sergeant Gord Rowe returned from RCS of S where he spent several months on his Gp 3 R & TG Course. Congrats, Gord, on successfully passing the course.

Lieutenant Gord Michener has returned from RCOC School where he tried his P12 (Practical) Lieut. to Capt. qualifying exams. We hear by the grapevine that you made it. Congrats, Gord.

Sergeant Herb Kittle is at present at RCASC School taking his Gp3 Transport Operator's Course. We are all pulling for you, Herb.

Lieutenant Rod Tomlinson is at present studying very hard for his Pt 2 (practical) Lieut to Capt. He departs this month for RCAC School. Best of luck, Rod. We are all pulling for you. Everything is crossed down to our shoe laces.

From the numerous telephone calls received daily at this office, we are thinking of having the powers that be have the designation of this Det changed from Instructional to Information Staff. The latest call wanted to know if this was the Sheriff's office.

14 Coy Royal Canadian Army Service Corps

The following personnel recently were taken on strength of this unit: Pte. Hardcastle, a storeman supplies, from 10 Coy; Pte. Rushton, a driver, from RCASC School and Pte. Drivers Steil, Mikulski and Funk from Egypt.

Numerous personnel are attending courses at RCASC School, Camp Borden, namely, Tpt. Op. Gp. 3 — Sgt. Taylor, Cpls. Newby, Maddock and Wilson; Capt. Gemmill and Lt. Percy are attending the Food Services Officers' Course. In addition, we have Cpl. Thibault at CJATC Rivers on the Air Supply (Transport Operator) Course and Pte. Robinson at Wainwright, attending the Junior NCO School.

Recent successful candidates on a Tpt. Op. Gp. 2 Course held by 4 Tpt. Coy, Winnipeg, were Cpl. Lemay, L/Cpl. Woodhouse and Pte. Paulson. L/Cpl. Arnold who attended the same course, had a very unfortunate accident in that he broke a leg while on motorcycle training. (We wouldn't suggest this method of getting RTU'd to anyone else though).

Congratulations are in order for Pte. Pinon on his recent marriage to Miss Glenda Lee Ratdori and from what we understand there is a posting to Europe in the offing, which gives them a European honeymoon on the Canadian Army.

Alberta Area's best military driver in the Safe and Skilled Driving Competition held in Calgary, was none other than our own Cpl. Foley. We are unable to say how he made out in the Command final, held in Winnipeg October 7th to 13th, as the results have not been made public yet.

The unit bade fond farewell to a number of personnel during the last month. The most recent being Lt. J. R. A. Paquin, who is being posted to the RCASC School. (We wish him the best of luck in his new posting, but will think of him as somewhat of a traitor to our cause since he is the only officer to arrive in this unit in single status and leave the same way). Other SOS personnel were Cpl. Parsons and Pte. A. J. White to 1 Tpt. Coy, Europe; Pte. Lessard to 56 Tpt. Coy, Egypt, and Pte. Sytar to HQ, Alta Area.

POSTED IN CALGARY

Corporal Gilbert Silcox of Ottawa, Ont., will be posted to 215 Workshop in Calgary on November 1st.

A member of the Royal Canadian Electrical and Mechanical Engineers, Cpl. Silcox has been with 224 Workshop in Ed-

224 Workshop RCEME

A sudden change in basic tactics becomes evident as "shooting the elk" attains popularity this month in lieu of the proverbial "bull." Buster Keck, Sgt. Walker and Cpl. Darling have already bagged a few noteworthy trophies to mount in the dining room. But still no news from Bill Kitchen, Ron Sales and Ralph Kortzman in the Edson Area. The last news heard was at least one "cat" — a myopic lynx. Maybe they are conserving their exploits in order to exhibit a grand show of hunting prowess at a more appropriate session. In any case, we observe Sgt. Nelles quietly polishing his sun glasses once again and for those that know, this can be taken as a threat to the hunting record of all concerned. Beware the hunter.

We perceive that in the twice daily gathering of the "Koffee Klatch" Clan certain minorities are still "rolling" garbage to the satisfaction of the majority at large. Maybe if suger cubes were substituted for Billy Bones the wheel of fortune would alter accordingly.

Audry Sherbrick was observed looking over the selection of typewriters held by 17 ROD. We hope she doesn't choose one with clashing colours.

Johnny Karesa is sporting a sawed-off telescope rig around the shop. Could this mean he has forsaken the fine art of painting for more distant fields of astronomy?

Mrs. Davis and Mrs. Fifer have taken up positions at HQ Western Command. This also entails a promotion for both ladies, and with it goes our congratulations and best wishes in their new endeavours. We welcome Bunny Kearl to the fold. She has taken over from Mrs. Davis in the control office and has just finished "learning the ropes."

The welcome mat is also laid out for Cfn. Allen, Webber and Buckley. They have already adapted to our way of life.

Sgt. Barker of 13 Coy will surely be one of the first to collect two beer mugs. His posting to 6 Coy RCEME, Halifax, was postponed until mid-January, after he had already received a mug and a hangover at a party given to him at the Mess. Now he is in the predicament of negotiating a repeat performance.

All members of the Workshop sincerely offer condolences to Doug Barron on the sudden demise of his mother in Vancouver.

Cpl. Gib Silcox is slated for a move to 215 Wksp. Calgary, next month, and finally Cfn. Phil Morin has received the good news that he will at last visit Europe as a guest of 4 Fd. Wksp. RCEME.

One of our SPSS friends, Sgt. Buck Rogers, RCOC, has just been posted to Calgary and is to be congratulated on his promotion.

monton since 1959. He served with the Royal Canadian Air Force during the Second World War and enlisted in the Army in 1954. Before coming to Edmonton he was with 202 Base Workshop, RCEME, in Montreal.

His wife Eva, lives at 15011 - 108th St., Edmonton.

FORMER RESIDENTS WED

At a recent wedding in the United Church at Ladner, B.C., Miss Judy Luscombe became the bride of Gregory Mahlon Casselman. Rev. Norman Crees officiated at the double-ring ceremony.

The bride is the daughter of Major and Mrs. E. C. Luscombe of Kingston, Ont., and the groom is the son of WO 1 and Mrs. M. J. Casselman of Edmonton, Alta.

A reception was held at the Castle Hotel in Vancouver. Gregory and Judy will reside in Vedder Crossing, B.C.

PPCLI Depot Unit News

Belated congratulations to Major and Mrs. R. B. Mainprize on the birth of their daughter, Catherine Margaret, on August 11th. Sorry we missed you in the last issue.

The Depot is busy as usual in the task of training recruits. At the present time we have a total of five Platoons in training with Mons and France Flanders completing Phase 3 at Camp Wainwright.

Cpl. (Gas) Martin has returned from a "rest" in Wainwright and has taken up duties in the "CR" ably assisted by Miss Lucy Chalifoux.

Since the last issue of the Bugle the Office Staff has been depleted by two of our favorite girls in the persons of Alva Bordeau and "Bunny" Kearn, who have left us to join 17 ROD and 224 Workshops respectively.

With winter's sports and activities commencing, the Unit has entered teams in the Garrison Bowling League and also in

the Curling Club. Best of luck to you all.

All ranks of the Unit extend a hearty welcome to the following: Lt. R. H. Scott from 2 PPCLI, who will take up duties in the training wing. S/Sgt. B. Brister of our muscle building department also hails from 2nd Battalion, and last but not least, Pte. J. R. Farrell from HQ B.C. Area, who has taken over duties in the Pay Office.

Farewells also are in order for Sgt. Norm Claxton, who has deserted the fold for the "I" Staff, and to Sgt. J. E. R. Allard, who is leaving the Unit to join the muscle department of the 2nd Battalion.

Unit courses are now in progress with Sgt. C. A. Wilson and Cpl. J. W. Lukion taking Inf Anti Tank and Inf MMG respectively.

QUALIFIED Prescription Service

DEDICATED TO
YOUR GOOD HEALTH

The next time you visit the Prescription Department of our store to obtain one of your health needs, notice the two documents for each of our pharmacists that the prominently displayed in the prescription area.

The one document is a diploma from the University of Alberta indicating that the pharmacist has completed a formal college course and received a degree in pharmacy. The other document is a Certificate of Registration issued by the Province and licensing the pharmacist to practice his chosen profession. It was obtained only after graduation from college, service as an intern or apprentice, and a comprehensive written and practical examination covering professional subjects in pharmacy.

Equally important to you is the fact that at our store the two documents testify to the fact that each of our pharmacists is dedicated to your good health and dedicated to providing health information and pharmaceutical products to make your life healthier, longer and more productive.

The next time you are in our store notice the two documents and remember that they represent our pledge to do everything possible to provide pharmacy service Dedicated To Your Health.
